CPD SAIA 13-08 SAPOA PROPERTY DEVELOPMENT PROGRAMME

We have pleasure in announcing that SAIA has re-assessed and re-validated SAPOA's Property Development Programme – 2013.

The Programme will be presented from 21 July to 2 August 2013 at the GSB in Cape Town. The Programme spans two weeks. Week 1 is 80 hours of partly interactive lectures, workshops and case studies. Week 2 is a 6-day long activity where participants will be formed into multi-disciplinary groups which will be required to prepare and present a comprehensive property development proposal based on a brief for an actual development site in Cape Town.

The Programme is presented by the Graduate School of business of the University of Cape Town.

Participating architectural professionals will earn eight (8) Category One CPD credits which are derived from the formal lectures, workshops and case studies in week 1 and associated learning gained in week 2.
